JOB APPLIED FOR
POSITION

CIVIS JOINT MASTER NAT4DD

WORK EXPERIENCE

- 2021-today: Assoc. Professor Department of Pharmacy, NKUA
- 2017-2021: Ass. Professor, Department of Pharmacy, NKUA
- 2015-2017: Laboratory and Teaching Assistance, Department of Pharmacy, NKUA
- 2014-2015: Research & Teaching Associate, Inst. of Pharmacy/Pharmacognosy, University of Innsbruck, Austria
- 2013-2014: Laboratory and Teaching Assistance, Department of Pharmacy, NKUA
- 2014: Research Associate, Imperial College, London, UK
- 2012-2013: Research Associate, Pharmaceutical company BIONORICA Research - R&D Department, Innsbruck, Austria.
- 2010-2012: Teaching Assistance, Department of Pharmacy, NKUA
- 2009-2010: Laboratory and Administrative Staff, Department of Pharmacy, NKUA
- 2006-2007: Laboratory assistant, Department of Pharmacy, NKUA

EDUCATION AND TRAINING

- 2011 (2 months): HITEX company - R&D Dep., Vannes, France. Training in extraction and separation techniques of natural products
- 2010 (2 months): FRUTAROM company - R&D Department, Zurich, Switzerland. Training in quality control of natural products.
- 2010 (short visit): University of Leiden, Netherlands. Training in Metabolomics - Basics and Applications in plant Science
- 2010 (short visit): University of Geneva, Geneva, Switzerland. Short visit for training in LC-HRMS and metabolomics approaches
- 2009 (2 months): Lavipharm pharmaceutical company - R&D Department Athens, Greece. Training in analytical techniques for quantitation purposes
- 2009 (short visit): Technical University of Dresden, Dresden, Germany. Training in biological evaluation of phytoestrogens.
- 2008 (1 month): University of Basel, Basel, Switzerland. Short visit for training in "dereplication" techniques.
- 2007-2009: Post doctoral researcher Department of Pharmacy, NKUA
- 2006-2007 (18 months): Post doctoral researcher in the field of proteomics and pharmacoproteomics approaches Biomedical Research Foundation of the Academy of Athens (BRFAA)
- 2005: Post doctoral researcher Department of Pharmacy, NKUA
- 2003 (3 months): University of Helsinki, Helsinki, Finland. Training in HPLC, LC-MS and NMR techniques.
- 2001-2005: PhD in Pharmacy, Division of Pharmacognosy and Natural Product Chemistry, NKUA
- 1998-2001: MSc in Natural Products Chemistry, Division of Pharmacognosy and Natural Product Chemistry, NKUA
- 1992-1998: Degree in Pharmacy, Department of Pharmacy, NKUA

PERSONAL SKILLS

Mother tongue(s)

Greek

English

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
C1/C2	C1/C2	C1/C2	C1/C2	C1/C2

Replace with language

Communication skills

- Excellent communication skills developed through extensive university teaching and international

academic experience. Effective public speaker with a strong ability to engage multicultural audiences through lectures, conferences, and committee work. Skilled in cross-cultural communication, academic writing, and collaborative research discussions.

Organisational / managerial skills

- Strong organisational and managerial skills developed through coordinating academic programs, supervising research projects, and serving on international committees. Experienced in leading multidisciplinary teams, managing timelines and resources, and organizing conferences and academic events in multicultural environments.

Job-related skills

- Strong job-related expertise demonstrated through board membership in e.g. the GA Scientific Association, participation in the EDQM Working Group, experienced EMA expert at CHMP committees, extensive involvement in international conference scientific committees as well as editorial board member of scientific journals, contributing to peer review and high-level scientific evaluation.

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Independent user	Independent user	Basic user	Basic user

- Software for databases search (Beilstein commander-Crossfire, SciFinder, Reaxys), HPLC system operation and data processing (ChromQuest, Empower), NMR (WinNMR, MestReC, TopSpin), GC- & LC-MS (XCalibur, MassLynx, Analyst), library generation and LC-MS data processing (Mass Frontier, ProteoWizard, MZmine, Sciex OS), proteomics applications (Analyst, Protein Pilot, DAVID, Ingenuity) and data processing & statistical programs for metabonomics/metabolomics applications (SigmaPlot, SIMCA, MZmine, AMIX, Metaboanalyst).

Other skills Driving licence

- Reading, cinema, theatre
-

ADDITIONAL INFORMATION

Publications	175 publications in peer reviewed journals
Presentations	Approx. 240 in international conferences (posters & 29 orals), 43 oral presentations – 30 after invitation
Projects	Approx 90 national and EU funded projects (coordinator, coordination team, participant)
Conferences	Participation in the organising and/or scientific committee of 19 international conferences
Seminars	Invited speaker in 19 workshops/seminars
Honours and awards	Several international awards e.g. Bionorica Phytoneering Award (2013), Egon Stahl in silver (2015)
Memberships	Several international scientific networks, scientific societies and regulatory organisms in national and EU level
Citations	5790 (google scholar), 3818 (Web of Science), 4204 (Scopus)
Courses	20 years' experience in teaching (classes and practicals) in the area of Pharmacognosy and Natural Products Chemistry e.g. Special courses in Pgarmacognisny, Analysis, Spectrometry and Spectroscopy etc.
Certifications	Several certifications out of seminars, workshops, conferences etc.
